October 2nd, 2022 – Pastor Nick Neves

In light of the principal that was laid out earlier in chapter 8, Hosea once again has his reader consider how the things that we sow in our hearts tend to dictate the kinds of fruit that we bear.

Verses 13-15 lay out a grim picture of what kind of _____ the northern kingdom will harvest as a result of sowing unfaithful rebellion.

Why is it significant that Hosea describes Israel in verse 11 as a calf preparing to be yoked for hard labor?

Israel had previously been assigned the task of _____

Now God is commanding them to take on the yoke of _____

¹² Sow for yourselves righteousness; reap steadfast love; break up your fallow ground, for it is the time to seek the Lord, that he may come and rain righteousness upon you.

What does it say about the hearts of the Israelites that Hosea compares them to grounds that have been allowed to sit _____?

Galatians 6:7-8 reminds us that even those who have been saved by grace benefit from sowing faithfully to the Spirit.

The grace of God doesn't just _____ us, it _____ us. It makes us new. It enables us to live according to the righteousness of our Savior in a way we never could before.

How do we sow righteousness?

_____ that sin has no place in the life of a believer who is saved by grace.

Seek the help of the _____ as He works in your conscience and brings to memory the Word of God that guides you.

John 14:26 – *But the Helper, the Holy Spirit, whom the Father will send in my name, he will teach you all things and bring to your remembrance all that I have said to you.*

Do not grow weary of _____, for in due season you will reap a holy harvest.

Do not forget that God has provided His ordinary _____ of _____ to consistently condition the soil of our hearts.
